SPEAKER NICHOL: I understand you are through, Mr. Clerk. May I say to you that I believe the agendas are out. We'll be focusing in, mainly, Monday on Final Reading which we'll start at eight-thirty. In addition to that, I am hopeful that we will get through with Select File, priority bills, Select File, priority bills. I do appreciate your cooperation today. I know we've gone a little beyond what you wanted to do. But we have caught up quite a little today. And with much help in the next six days, we'll have the last three days for Final Reading. And in addition to that, we'll attempt overrides, I presume. And we'll have a lot of Select File to get done and work to do between then and now. So thank you for your cooperation. We have covered a lot of ground this week, and I'm sure we'll make it this session. Thanks again. Good night. Eight-thirty Monday. Yes. I suppose we probably ought to adjourn. Senator Lowell Johnson, would you like to move that we adjourn until nine-thirty (sic).

SENATOR L. JOHNSON: Mr. President, members of the Legislature, I suggest that we adjourn until 8:30 a.m., Monday, April 6.

SPEAKER NICHOL: You've heard the motion. All in favor say aye. Opposed nay. We are adjourned.
